SERVICE AGREEMENT

Article 1 (Scope of Work)

MERSAT TRANSPORTS WASTE LLC, Tadweer Approved Environmental Service Provider herein after referred as "Mersat" will provide Waste Management Services in accordance with the guidelines of CWM- Abu Dhabi Tadweer.

Article 2 (Project Commencement)

- The proposed project will start upon the receipt of the signed contract, LPO, refundable security deposit (if any) and the acceptance of Annex 2 of this Agreement.

Article 3 (Confidentiality)

- Neither party will disclose any terms of this Agreement, including prices or discounts, to anyone other than its attorneys, accountants, or other professional advisors or to any investor or potential investor who agrees to maintain the confidentiality of such information. Any information or documents provided by either party during development of the report are confidential records and neither the documents nor their contents shall be disclosed or provided to any third party apart from the concerned authorities.

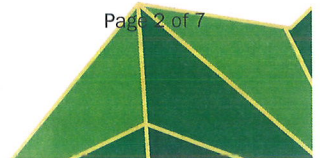

Article 4 (Deliverables)

- Mersat shall provide the agreed Quantity of Materials such as Bins / Skips / containers / Trips as per the Annex 2 of this Agreement to the client throughout the duration of this Agreement.
- Skips / Containers / trips for the on-demand / on call services shall be provided to the Client at the collection point upon request at the time of collection.
- All the Deliverables as per the Annex 2 of this Agreement shall be delivered to the client premises within 7 days from the date of signing of this Agreement / L.P.O
- Upon expiration or termination of the Contract, the customer shall return all the materials, if any provided by MERSAT TRANSPORTS WASTE LLC in a good condition or will be responsible to pay the value for such loss or damages.

Article 5 (Responsibilities)

Waste Producer Responsibilities

- The customer agrees to provide MERSAT TRANSPORTS WASTE LLC, all the necessary information to evaluate the quantity, type of waste generated and any further information that can be made available to support MERSAT TRANSPORTS WASTE LLC to provide an effective Service.
- Customer shall be responsible for waste segregation and proper positioning of the bins located in the designated areas, and clear access to the premises for the easy removal of waste bins/ skips.

- Customers must ensure proper handling and safety of the provided containers against theft, sabotage, and misuse.
- Loading is the responsibility of the client.
- If through no fault on its own, Mersat cannot access the containers and or the service address to perform the services, the customer agrees to pay the full fee for such unperformed services irrespective of whether they are performed or not.
- Customer must register and comply with Integrated Bolisaty System / any system of CWM to initiate the waste collection and maintain the required evidence as per the requirement.
- For safety and regulatory reasons, the customer should not overload the container or mix up the waste. E.g.: Hazardous and Non-hazardous Waste, Compactable and Non-compactable Waste, Incorrect type of waste other than what is indicated in the contract will be subjected to penalty.

Waste Transporter (ESP) Responsibilities

- Mersat guarantees the waste collection through the Bolisaty system of Tadweer- Center of Waste Management, Abu Dhabi under Mersat Transports / Subcontractors of Mersat Transports Waste LLC.
- Mersat shall provide Daily / Monthly / Yearly Reports upon request or as per preference of the client.
- Mersat Transports Waste LLC shall be responsible for the collection and transportation of waste from the agreed collections points mentioned in Annex 2 of this agreement.
- Contact our operations for any collections / additional service at least 24 hrs. prior via email: esp@mersatgroup.com / Helpline: +971-50 307 8962.
- Mersat will Assign an Account Manager / Operations Executive to Visit the client premises if required for Monthly meetings and operational process.
- Mersat shall carry out all the services mentioned In the Annex 2 of this agreement as per the Guidelines of Center of waste Management – Tadweer.

Article 6 (Contract Validity)

- The ESP Contract shall be effective upon signing and shall continue in full force and effect for a period of one (1) Gregorian year as per Annex 2 of this Agreement and shall be renewed thereafter with the consent of both parties.

Article 7 (Termination)

- Both parties can terminate the contract by giving three (3) months' notice unless either party does not fulfill its obligations of all the articles mentioned in this contract. This agreement shall be automatically renewed for the successive years, unless terminated on mutual agreement or if there are changes to guidelines of Tadweer, CWM- Abu Dhabi / additional requirements.

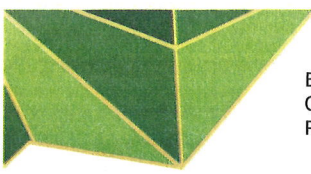

Article 8 (Payment Mode)

- All the Payments shall be done through Cheque / Bank transfer in the name of “MERSAT TRANSPORTS WASTE LLC”.
- 5% VAT shall be applicable on the prices mentioned in this Agreement as per the laws of UAE.
- Invoice shall be raised on monthly basis as per the minimum agreed quantity and the payment must be made within 30 days from the date of invoice.
- Standard Payment Terms will be 30 days from the Date of invoice.
- One (01) 120-Litre Bin for Garbage Waste and one (01) set of corrugated bins for the storage of Non-Metal Waste shall be provided to the Client for the duration of this Agreement. No rental charges shall apply for these bins, as all rental and disposal charges are included in the prices indicated above.
- Any additional set of corrugated bins requested by the Client shall be charged at AED 80.00 per set.
- One set of Corrugated Bin will be given to the client as FOC
- All the prices mentioned in Annex-2 of the agreement are inclusive of disposal charges.
- In case of fluctuation in the Market Price for the Waste Collection, due to the changes in the fuel charges, additional fees and taxes imposed by the authorities and additional collection points, if required, then the new price will be proposed and agreed with the customer Mutually.

Article 8 (Acknowledgement)

- The client hereby understands and agrees on all the conditions of this service agreement submitted by “MERSAT TRANSPORTS WASTE LLC” and shall sign and stamp in Annex 1 & 2 (Client Acceptance) of this Agreement.
