CURRICULUM VITAE

Raghvendra Kumar

e-mail: raghvendra_kumar1983@rediffmail.com Quality control Supervisor
Kurita Aquachemie Saudi Arabia company
PO Box 7950 Street-16 2nd Industrial Area
Dammam 31472 (Kingdom of Saudi Arabia)
Contact No.: +966570699583
+918865088028

Objective:

Continuously enhancing my capabilities through the synergy of learning and earning. To have a positive attitude in life and to work in a growth-oriented Chemical or Pharmaceutical organization, which provides an opportunity to enhance my technical skills, acquired knowledge in a healthy environment.

Professional Summary:

- Analytical Research and Development Scientist with an **Overall experience of 17+ years approx.**
- Experienced and resourceful Analytical Research & Development Scientist offering outstanding skills in experimental design, Method Validation/Verification and Method Transfer.
- Strong leader capable of managing technical personnel and training teams in analytical research procedure and mentoring for achievements.
- Analytical chemist with more than ten years of experience working with teams of scientists in advanced research projects in GMP regulated environments.
- Extremely knowledgeable in overall laboratory function, maintenance, and project activities in relation to availability of resources and timelines.
- Effective in written and oral communication skills to provide clear and concise information based on scientific research findings to team members and clients.

Key Skills:

- Data Integrity and Lab Compliance
- Experimental Design and Method Development
- Project risk assessment & Critical thinking
- GMP Documentation, Protocol and Report writing
- Extensive Organization skills and Time Management
- Writing/Editing/Revising Standard Operating Procedures
- Expert Problem solver and Troubleshooting
- Investigation and corrective action execution
- Team leadership
- Team collaboration
- Quality Data review
- Method Validation and Transfer
- SOP Implementation
- Written & Verbal communication
- Skilled Technical Mentor
- Good Documentation Practice

Regulatory and GMP audits faced:

Active member of ANVISA (Brazilian GMP), Eu.GMP & EDQM and DFDA (India) audits facing team in IOLCP Barnala & SFDA & WHO audits facing team in CAD (Riyadh).

Job Experience:

1. **Duration:** **From Aug. 2023 to till now**
   Organization: **Kurita Aquachemie Saudi Arabia Company.**
   Industrial Area-2 Dammam (KSA)
   Designation: **QC Supervisor**
   Job Profile:
   - Planning and organizing laboratory personnel based on priorities expertise and timelines for routine analysis of finished goods and raw materials.
   - Reviewing of laboratory documents and data as per good documentation and GPM guidelines.
   - Planning for calibration of instruments.
   - Providing updates and clarifications in team meetings as well as customer meetings.
   - Drafting and revising of laboratory standard operating procedures.
   - Interviewing and recommending for hiring of laboratory personals.
   - Experiment designing for development of new products.
   - Presentation of technical issues and solutions in group meetings.
   - Providing feedback on laboratory budget needs and lab associates development needs.

2. **Duration:** **From Feb. 2023 to Aug. 2023**
   Organization: **Jubilant Ingrevia Ltd.**
   C-26, Sector-59 Noida UP (India)
   Designation: **Sr. Research Scientist**
   Job Profile:
   - Experiment designing for in-process, impurity profiles, residual volatile impurities, and intermediate analysis for development of new products.
   - Planning and organizing laboratory personnel based on priorities expertise and timelines for reaction monitoring and routine analysis of finished goods and Intermediates.
   - Reviewing of laboratory notebooks and data as per good documentation and GPM guidelines.
   - Planning for calibration of instruments like GLC, HPLC etc.
   - Developing, verifying, and transferring analytical methods using GC, GC-HSand HPLC.
   - Mentoring and supervising the junior scientists in developing methods & troubleshooting.
   - Providing projects updates and clarifications in team meetings as well as customer meetings.
   - Working closely with quality and regulatory affairs to meet project technical document requirements led to successful project submission.
   - Drafting and revising of laboratory standard operating procedures.
   - Interviewing and recommending for hiring of laboratory personals.
   - Presentation of technical issues and solutions in group meetings.
   - Providing feedback on laboratory budget needs and lab associates development needs.

3. **Duration:** **From Dec. 2021 to Feb. 2023**
   Organization: **Godaavari Labs Pvt. Ltd.**
   APSEZ, Atchutapuram, Visakhapatnam AP
   Designation: **ARD Manager.**
   Job Profile:
   - Experiment designing for in-process, impurity profiles, residual volatile impurities, and intermediate analysis for development of new products.
   - Planning and organizing laboratory personnel based on priorities expertise and timelines for reaction monitoring and routine analysis of API and Intermediates.
   - Reviewing of laboratory notebooks and data as per good documentation and GPM guidelines.
   - Providing guidance for preparation of protocol and report for method validation.

- Planning for calibration of instruments like GLC, HPLC etc.
- Developing, validating/verifying, and transferring analytical methods using GC, GC-HS and HPLC.
- Mentoring and supervising the junior scientists in developing methods, validating methods and troubleshooting.
- Providing projects updates and clarifications in team meetings.
- Working closely with quality and regulatory affairs to meet project technical document requirements led to successful project submission.
- Drafting and revising of laboratory standard operating procedures.
- Interviewing and recommending for hiring of laboratory personals.
- Presentation of technical issues and solutions in group meetings.
- Providing subject matter expert assistance to Quality Control division during regulatory and customer audits or whenever required.
- Providing feedback on laboratory budget needs and lab associates development needs.

4. **Duration:** **From Mar. 2014 to Mar. 2021**
   Organization: **CAD Middle East Pharmaceuticals Industries LLC**
   Riyadh (Kingdom of Saudi Arabia)
   Designation: **Analytical Scientist.**
   Job Profile:
   - Planning and organizing laboratory personals based on priorities, expertise and timelines for reaction monitoring and routine analysis of API and Intermediates.
   - Preparing protocol and report for method validation.
   - Developing, validating/verifying, and transferring analytical methods using GC, GC-HS and HPLC.
   - Mentoring and supervising the junior scientists in developing methods and troubleshooting.
   - Providing projects updates and clarifications in team meetings.
   - Working closely with quality and regulatory affairs to meet project technical document requirements led to successful project submission.
   - Presentation of recent technology trends, technical issues, and solutions in group meetings.
   - Providing guidance and maintaining Good Laboratory Practices in lab.
   - Drafting and revising of laboratory standard operating procedures.
   - Providing trouble shooting for running methods in quality control unit whenever required.

5. **Duration:** **From Oct. 2010 to Mar. 2014**
   Organization: **IOL Chemicals and pharmaceuticals Ltd.**
   Barnala (Punjab) India
   Designation: **ARD Executive.**

6. **Duration:** **From Nov. 2008 to Sep.2010**
   Organization: **Saurav Chemicals Ltd.**
   Derabassi, Dist. Mohali (Punjab) India
   Designation: **ARD Officer.**
7. **Duration:** **From June 2007 to Nov. 2008**
   Organization: **SRF Ltd.**
   Bhiwadi, Dist. Alwar (Rajasthan) India
   Designation: **Junior Officer (R&D)**

8. **Duration:** **1.3 Years (Approx)**
   Organization: **Jubilant Organosys Ltd.**
   Gajraula, Dist. J.P. Nagar (U.P.) India
   Designation: **Chemist (Trainee)**

Techniques acquired:

- **HPLC:** Water's 2695 (Equipped with Empower software), Shimadzu-2010 HTC (Equipped with LC Solution software).
- **Gas Chromatograph:** Agilent Technologies (7890A, 6820, 6890) with the software Chemstation & Cerity and Hewlett Packard (5890) Series II With the software Chemstation.
- **Ion Chromatograph:** Dionex (ICS 2000) RFIC with the software Chromeleon.
- **Particle size analyzer:** Malvern (2000MU) with Mastersizer 2000
- **IR Spectrometer:** Bruker With the software OPUS.
- **UV Spectrophotometer:** Shimadzu-UV1700
- **pH Meter:** MettlerToledo (Seven Easy) and Orion 420A^{+}.
- **Moisture Meter:** MettlerToledo (DL31), Metrohm (701)
- **Ion Meter:** Thermo Orion 720 and MettlerToledo (Seven Multi)

Educational Qualification:

Sr. No.	Examination	Board/University	Passing year	Percentage
1.	M.Sc.	Vinayaka mission University Salem	2011	70.9
2.	B.Sc.	Kumaun University Nainital	2006	53.3
3.	Intermediate	Board of Secondary Education Allahabad	2001	55.6
4.	High School	Board of Secondary Education Allahabad	1998	76.5

Personal profile:

Father's Name	:	Mr. Virendra Kumar Sharma
Mother's Name	:	Mrs. Rita Sharma
Date of Birth	:	1st August 1983
Marital status	:	Married
Nationality	:	Indian
Language known	:	Hindi & English
Hobbies	:	Playing Cricket, Enjoying music, Reading Books
Permanent Address	:	House No. A-14, Tapasya Vihar Society Gangapur road, Rudrapur U.S.Nagar (Uttarakhand) Pin:263153

Self-Assessment:

I am confident of carrying out successfully whatever I am interested in. I am a quick learner; sharp minded laborious person and I am confident in organizing capability since I have organized and participated in cultural and sport activities at academic level as well as in industry.

Strength:

- I feel I am good at conceiving, experimenting and executing & accept diverse challenges.
- High energy level and positive thinking with a great attitude & behavior.
- Efficient handling the individual responsibility of supervision & operation of day-to-day activities with emphasis.
- Deep trust in my capabilities to do the best punctuality, a disciplined approach and inclination towards teamwork.

Weaknesses:

I seek perfection in everything. I do without being practical.

I hereby certify that the particulars given here with are true of best of knowledge and belief.
