COMPETENCY ASSESSMENT & AUTHORISATION

Name:	YASSIN AHMED ABDELAZIZ MAHMOUD		Cert # D56053
Designation:	ELECTRICAL ENGINEER		
Identification (EID)#	784199928028820		
Contact Details:	+971 502334761		
Company Name:	FALCON MIDDLE EAST CONTRACTING ANG GENERAL MAINTENANCE - SOLE PROPRIETORSHIP L.L.C.		
Project/Contract & TQD Function	D-111661/E	POWER	
Scope of work:	-Supervision for cable laying, jointing and termination up to 33kv. -Installation of Electrical equipment up to 22kv. -Connection& disconnection of LV cables in live LV panels (FP&ST).		
Competency Assessment Date:	09 Apr 2026	**Expiry Date:**	08 Apr 2027
Competency Type	**Sub-Type Authorised:**		
Contractor Permit Receiver (CP)	☒Electrical LV ☒Electrical HV		

TQDC has verified that the individual has successfully completed all required pre-mandatory HSE training courses for the requested competency assessment type. During the TQDC competency assessment, they demonstrated a comprehensive understanding of TAQA Distribution HSE and operational/technical standard compliance requirements implementation during the entire duration of scope planning, preparation and execution.

This authorization is subject to continuous compliance monitoring with applicable TQDC Essential safety rules (ESR), permit to work (PTW), and other scope associated HSE standards, HSE plan and HSE performance expectations.

Any violations related to TAQA HSE Standard requirements cited during the scope execution, site visits conducted by TQDC representatives, shall be formally recorded, and the Contractor shall be required to implement appropriate corrective actions. In cases where repeated violations (up to three instances) are observed/recorded, and the Authorised Person for the scope of work has demonstrably failed to monitor or address non-compliance of HSE & regulatory requirements, TAQA Distribution reserves the right to revoke the this authorization and enforce their permanent removal from the project site or from any of the TQD Premises.

Authorization terms & conditions:

The following conditions apply to all personnel holding authorised HSE certification under TQD:

- A valid copy of this certificate must be available and always presented at the execution site.
- No operation shall commence without the direct supervision of duly authorised personnel present at the worksite.
- Authorised personnel are responsible for ensuring full compliance with TQD HSE requirements throughout the entire scope of work. They shall monitor compliance, identify any non-conformities, and immediately report them through the approved HSE communication and reporting channels, including QR-code–enabled systems for proactive safety alerts, Permit-to-Work audits, and ESR compliance checks.
- Prior to the commencement of any activity, authorised personnel shall conduct and verify the Last-Minute Risk Assessment (LMRA) specific to the scope of work, ensure it is recorded, and communicate it clearly to all members of the involved workgroup.
- Authorised personnel shall verify all task-specific certifications of the workgroup and confirm that all personnel hold the required craft and competency approvals before any activity begins.
- Authorised personnel are mandated to stop or suspend any work immediately upon observing non-compliance, unsafe acts or conditions, deviations in scope, environmental changes, or any other factors that may compromise the safety of personnel, operations, assets, or affected parties. All deviations and unsafe acts/conditions shall be fully documented with corrective or immediate actions in the designated HSE reporting tools.
- TQD reserves the absolute right to revoke, cancel, suspend, or require re-attendance of the competency assessment for any authorised personnel found to be in violation of the above requirements or in response to changes in regulatory or TQD standards.
- Any duplication, alteration, falsification, or forgery of this certificate, or any attempt to misuse or reproduce this document without proper authorisation, will result in immediate revocation of the authorisation and may lead to the imposition of a lifetime ban from working with TQD or any TQD stakeholders, applicable to both the company and the individuals involved. TQD maintains the right to take further legal action where deemed necessary.

RE: (EXTERNAL) RE: D#111095 - Civil Subcontractor for 11 KV switching station - M/s. Falcon

Dear Hani,

Reference to below correspondences, please note that we have no objection for M/s. Falcon for the civil construction of one precast switching station in the **said project only** along with the precast manufacturer M/s. Saad for supplying & installing precast substation's elements as per ADDC Standard Specifications and Standard Drawings with the necessary QA/QC requirements subject to the following:

1) Contractor shall obtain necessary approvals from Municipality (Building Permit, NOCs ...etc.).
2) Steel louver doors and windows as well as steel gratings shall be supplied by one of ADDC/TAQA approved Manufacturer with hot dip galvanizing through one of TAQA/ADDC approved vendors for galvanizing.
3) Special civil works (such as Piling) shall be done by an approved TAQA/ADDC vendor (as well as any other special work which has specific product / work group at TAQA Vendor list).

Please note that this approval shall not be used in the future for any other projects unless M/s Falcon is to be prequalified with TAQA, please confirm.

This is for your information and further action.

Best Regards,

Part D: Employer/ Engineer Review and Approval[1]:				
Employer/ Engineer's Comments	Proposed subcontractor "FALCON MIDDLE EAST CONTRACTING AND GENERAL MAINTENANCE" for Electrical Works is approved based on TAQA approval for MV & LV cables and distribution networks up to 33 kV, as well as previous approvals for similar works. However, the following comments on the PQ submittal must be addressed: 1). The attached HSE Plan is for potable water network works instead of electrical works. 2). The list of dedicated manpower and equipment for this project is missing and shall be provided. 3). CVs of the proposed engineers and skilled staff are missing and shall be provided. 4). Technical staff proposed for this project subject to separate approval and satisfactory performance. 5). OSHAD-SF is no longer valid and has been replaced by ADOSH-SF. Accordingly, please remove all references to OSHAD-SF from the submitted documents and replace them with ADOSH-SF. Hussain Ahmed ARE Electrical

Submittal Comments Sheet

Project:	Construction of Remaining Ring Roads, Core Infrastructure Systems, External Utilities and Conversion of Junction E01 at Bloom Living Zayed City, Abu Dhabi, UAE
Employer:	BLOOM DISTRICT PROPERTIES
Engineer:	DAR AL-HANDASAH CONSULTANTS
Doc. Type:	COMMENTS SHEET
Doc. Submittal Ref.:	Comments to Contractor Submittal Ref. M-SCA-011000-CIV-017-0

M/s Falcon-Prequalification for Electrical and street light Works.

Engineer's Comment:

The PQ information has been reviewed and found acceptable subject to the following comments:

1. The main contractor is responsible for thoroughly reviewing and verifying all submittals to ensure that the subcontractor meets all specifications and project requirements before submitting them to the engineers for review.
2. Include the ADDC Contractor list with highlighting the contractor name.
3. Assigned technical Engineers CVs to be submit for approval and to arrange interview as required by Engineers.
4. Detail Method statement and ITP with quality procedure as per scope of work shall be submitted and obtain approval prior commencing the activity at site.
5. Matrix sheet showing the scope of work between Contractor/Subcontractor to be submitted.
6. Renewal of all authorities Agreement, Registration and Classification Certificates to be done on the right time.
7. Subject to full compliance with project specifications, contract documents, and authority requirements.
8. Subject to satisfactory performance with adequate qualified manpower and machinery availability at site to meet project requirements.
9. Subject to full compliance with ESTIDAMA requirements.
10. All licenses and certificates must remain valid throughout the project duration.
11. The engineer reserves the right to revoke approval if work quality is unsatisfactory.
12. Final Approval subject to authority/Client Acceptance.
13. Environmental, Health, and Safety policies must be adhered to according to specifications and authority requirements during the entire course of action.
14. This approval does not relieve the contractor/Sub-contractor of their obligations, duties, and responsibilities under the contract.
15. Final approval subject to successful testing and commissioning as per relevant authorities' approvals.

Thank you.

Nour Eldin Mohamed

Supplier Profile Update Request# 5852 Approved

Dear Falcon Middle East Contracting and General Maintenance - Sole Propriet orship L.L.C ,

Please be informed that the submitted pre-qualification request has been completed as follows:

MANUFACTURER/ASSOCIATE CODE	MANUFACTURER/ASSOCIATE NAME	LOCATION ADDRESS & COUNTRY	PRODUCT/WORKGROUP	STATUS	CLASSIFICATION GRADE
			260080 - POWER TRANSMISSION / DISTRIBUTION - OVERHEAD WORKS & REPAIR	PQ - Pre-qualified	C

Based on the evaluation, the above details are included in our records. In case of any concern, please revert to us immediately.

Please take note of the following important information with regards to your pre-qualification:

1. You must inform us by email (suppliermanagement@adnoc.ae) within 5 business days, if there is any change in the above information from your side or the information become invalid.

2. This pre-qualification is valid for THREE YEARS from the date of this notification. The pre-qualification status will be monitored through our internal performance analysis and, if required, ADNOC may request capability re-assessment.

3. This pre-qualification approval does not constitute any obligation to ADNOC Group to invite you to bid for future tenders / enquiries.

4. ADNOC Group has sole discretion of selection of bidders for a tender and its award based on internal procedures and approvals.

5. ADNOC Group at its sole discretion, may request further tender specific short qualification and outcome of tender specific short qualification will take precedence over this pre-qualification.

6. ADNOC Group shall not be under any legal obligation or have any liability to the Supplier of any nature whatsoever by virtue of your pre-qualification.

Regards,

Submittal Ref.:	ADPMSC/ ALBAHRI/ A&M/ MEP/ PQD-014(A)
Document Ref.:	A&M/ MEP/ PQD - 14

Approval Status "B": A Approved; B Approved as Noted; C Revise and Resubmit; D Rejected; E For Information

	Comments and Recommendations
1.	Authorization letters from each deliverable material's manufacturers to the supplier must be provided within 1week of this PQ approval.
2.	Approval of this PQ is subjected to external submissions as in the approved vendor list of the project.
3.	Supply and installation of main cables must be from the ADDC source origin till the project's ORM room also to be considered with necessary cable jointing and terminations.
4.	Type test certificates issued by independent testing laboratories to be provided as in the specifications.
5.	All necessary ORMs, Fiber Optic Terminal Box (FOTB), DMS Marshalling/ Control Cabinet, DC power supply with batteries and battery charger shall be provided by M/s. FALCON MIDDLE EAST including the interfacings and successful handing over to the authorities.
6.	The required method statements and risk assessments for each works shall be submitted separately for review and approval.
7.	Detailed layouts on shop drawings and material submittals shall be submitted for review and approvals.
8.	This approval does not relieve contractor of his contractual obligations as to performance compliance on specifications and obtaining on time power supply connection from ADDC.
9.	M/s. FALCON MIDDLE EAST shall be responsible to follow all ADDC standards and specifications while executing the work and to get all necessary approvals till the completion of the project.
10.

Approval Status "B": A Approved; B Approved as Noted; C Revise and Resubmit; D Rejected; E For Information

	Comments and Recommendations
	COMMENTS: (ONLY FOR RELOCATION OF SERVICES)
1.	The prequalification check list is empty without being checked by the QA/QC engineer and without signature and stamps.
2.	The submission of document does not follow the criteria as per the prequalification checklist.
3.	Competent person(s) ADDC approved certificates must be attached who will be dealing with ADDC for approvals and at site.
4.	Proper organization chart to be provided with Project Manager, Construction Manager, Engineering Team and QA/QC engineer reporting to PM not to CM, Site Engineers and Site Team reporting to CM. Also, to include the complete staff which will be deployed on the site.
5.	A dedicated HSE must be proposed and only his certificates must be attached
6.	M/s. Al Madana documents must be removed, when only FALCON as a contractor is proposed.
7.	A clear and brief scope of work to be provided.
8.	This relocation works related to the existing cables within the plot limit had been completed and site handed over to client and construction works.
9.	No further scope of works of construction for M/s. FALCON at the site.
10.

Engineer's Representative Comments

No objection for proposed Contractor M/s Falcon Middle east contracting as Power network work as contractor is listed with ADDC as prequalified (Registration number -99472507) , also holding DMT certificate .

- Include the ADDC contractor list with highlighting the contractor's name .
- Include the ADEC Registration /Certificate in the PQ .
- Scope of work shall be inclusive of the obtaining the necessary permit and NOCs to execute the site activity .
- List of Street lighting works -previous projects shall be provided and approval form ADM as contractor to perform the street lighting works. Not found enough experience for streetlight works .
- All the works must be executed as per ADQCC/ADDC/ADM requirement .
- The conditional approval is subject to ADQCC compliance and DMT approval . If contractor is not complying with the ADQCC specs or not approved by DMT, the above approval shall be voided and nullified.

HSE Comments:
Include an organization chart with Title and logo, Executive leadership, Departments, Position titles, Key contacts, Revision No. & Date etc., and duly signed by the top management.
Contractor has valid ISO 9001:2015, ISO 14001:2015 & ISO 45001:2018. Ensure to comply with ADPHC-OSHAD System Framework, applicable code of practices, during the execution of work.

Attn: Falcon Middle East Contracting

Subject: Letter of Appreciation to Vendor for Supporting During the Bid

Dear Sir/Madam,

Greetings of the Day!

We, China Petroleum Pipeline Engineering Company Limited – Middle East, would like to take this opportunity to express our sincere gratitude for your invaluable support throughout this year's bidding process. Your unwavering commitment to delivering high-quality services and exceptional efforts in meeting our requirements have been instrumental in helping us prepare and submit a competitive bid.

Your professionalism, dedication, and prompt response were commendable. Thank you once again for being a reliable and trusted partner during this critical phase.

We look forward to achieving even greater success together and hope to continue receiving your support for future projects. It is our firm belief that our long-term partnership will continue to thrive and bring mutual growth.

Yours faithfully,

Luis Yin/尹党强

MODON

APPENDIX 1: The following Terms and Conditions are an integral part of the Purchase Order (PO):

A **Order acknowledgement:**

The Vendor shall acknowledge this PO within three (3) working days of receipt. The Vendor shall confirm its acceptance by signing (by the Vendor's authorized signatory) and stamping the PO and sending the original signed copy back to Modon Properties PJSC ("the Buyer") no later than three (3) working days from the receipt thereof.
Failing the above, the PO terms and conditions shall be considered as totally and unconditionally accepted by the Vendor and shall not release the Vendor from its obligations.

B **Payment terms:**

Payment terms shall be as per the duration stipulated in the PO following the receipt of the correct and complete or partial delivery of goods and services.
Payment shall be made in full within thirty (30) days upon completion of the work and submission of the invoice.

C **Tax Invoice:**

The Tax Invoice shall be submitted to the Finance Department of the Buyer in the format below.

1 Document heading to read as "TAX INVOICE"

2 **The Buyer's details to be clearly identified and information to be enumerated as follows:**
a. Modon Properties PJSC
b. Attention: Finance Department
c. PO Box 26866 - Abu Dhabi, UAE
d. Tel. no.: +971 (2) 204 7652
e. Tax Registration Number: 100576434300003

3 **Vendor details to be identified and information to be enumerated as follows:**
a. Vendor Name
b. Address
c. Tel. no
d. Email
e. Tax Registration Number

4 **Goods and services supplied should be identified and information to be enumerated as follows:**
a. Description of goods and services supplied
b. Unit price, quantity or volume and amount due for each good or service.
c. The amount of discount offered for each good or service, if applicable.
d. The date and duration when the goods and services were provided.

5 Tax Rate of 5% to be showed separately against the total amount.

6 Invoice to be referenced to the Contract/ Purchase Order.

7 Bank details of The Vendor for payment instructions.

D Conformity certificate:

For this PO, the Vendor shall submit, along with the goods and services delivery, a conformity certificate from the manufacturer.

E **Performance Bond (if applicable):**

Vendor should provide within ten (10) days from the date of PO, if applicable, a performance security in the form of bank guarantee from a local bank in the UAE, equal to ten percent (10%) of the PO value strictly in accordance with the Buyer's standard format. A template of the Performance Bond form is attached (if applicable) to comply with.

F **Delivery:**

1 Upon delivery of the goods and services, the Vendor must give the Buyer a delivery note in sufficient detail to enable the Buyer to check the Goods and services. Even though the Buyer may sign for the receipt of the goods and services, this does not mean that the Buyer has accepted the quality or quantity of the said goods and services. If the goods and services are not in accordance with the approved PO, the Buyer can reject them, not accept the delivery and not pay for them until the Vendor comply with the PO.

2 Partial delivery is ONLY acceptable if it is explicitly stated in the PO.

Initial JT Initial JH Initial MN Initial AA

MODON

3	In the event of delay in delivery beyond the agreed delivery date, the Vendor shall pay by way of liquidated damages an amount calculated at one percent (1%) per week or pro-rated amount for part of a week thereafter subject to a maximum of five percent (5%) of the price of the delayed quantity or item.
G	**Other Terms and Conditions:**
1	The Vendor must perform its obligations in a professional and workmanship like manner and shall exhibit all the reasonable skill, care and diligence expected of a similarly experienced vendor in the market.
2	The Vendor must have all the necessary licenses and consents. The Vendor will engage, at its own cost, any required personnel. The Vendor must comply with all applicable laws, rules, regulations and codes of practice. The Vendor shall repair/correct (or replace, if repair and or correction is not possible), any defective goods and services that is brought to its attention during within the Warranty Period (if any).
3	The Vendor must not assign any of their rights under these terms or subcontract the supply of the goods and services without Modon's prior written approval. The Vendor will remain fully responsible to the Byer for any subcontracted part of the supply of the goods and services
4	If the Vendor gives or offers (directly or indirectly), to any Buyer's personnel, any bribe, gift, gratuity, commission, or other thing of value, as an inducement or reward in relation to the transaction and/or PO, the Buyer can terminate this PO immediately by written notice to the Vendor and the Vendor will be blacklisted accordingly.
5	If The Vendor become bankrupt or insolvent, have an administrator or other controller appointed, the Buyer can terminate this PO immediately by written notice to the Vendor
6	In the event the Buyer has made any advance payment for goods and services not delivered at the date of termination of the PO, then the Vendor shall refund such advance payments back to the Buyer within seven (7) working days of the date of termination the PO.
7	The PO is governed by the laws of the Emirate of Abu Dhabi and the federal laws of the United Arab Emirates, and the Vendor and Buyer hereby submit to the exclusive jurisdiction of the courts of Abu Dhabi.

Integrated Management System(HSEQ) Policy

The long-term business success of Falcon Middle East Contracting and General Maintenance depends on our ability to continually develop, maintain and operate a safe, efficient and economical water and electricity distribution service in Abu Dhabi while providing a safe & healthy workplace and protecting our environment.

Consistent with this policy, we will establish, document, implement, maintain and continually improve our HSE management system that are consistent with the requirements of the international standards ISO 45001:2018, ISO 14001:2015 and ADOSH System Framework v 4.0.

We are committed to:

- Comply with all applicable legal and other requirement of ADDC/TAQA.
- continually improve our HSEQ management system and performance;
- zero harm and prevention of occupational related injury and ill-health in our workplace;
- prevent pollution which may be caused by our operation's emission to air, discharge to water body, and/or disposal of hazardous waste to land;
- enhancement of employee health and well-being through effective identification of hazards and management of risks and by fully complying with all applicable legal and other requirements;
- making this policy an integral part of our business strategies, and use as the basis for setting and reviewing our organization's HSEQ objectives and targets;
- strengthen employee's participation in HSEQ programs;
- communicate this HSEQ policy to our employees, contractors, suppliers and visitors, and make them aware of their HSEQ obligations;
- execute our policies and procedures by providing resources necessary for the effective implementation of our management system.

The policy will be reviewed periodically (at least annually or as necessary) to ensure relevance and appropriateness to our organization.

QUALITY POLICY STATEMENT

Falcon Middle East Contracting and General Maintenance is committed in providing contracting services that meet our customer's current and future expectations.

As part of our quality strategy we commit to:

- encourage our clients to provide us with honest feedback on our performance to support our continuous improvement;
- empower our employees through training and development to perform their roles to the highest professional standards;
- develop, implement, communicate and continually maintain a quality management system in compliance with applicable requirements;
- demonstrate the top management's involvement and support in our QMS endeavors;
- promote an ethos of continuous improvement by engaging all employees in the quality management planning and review process; and
- monitor, measure, evaluate and review our quality management system on a continual basis to ensure it remains current and effective.

Our organization, management and staff are committed to maintain the effectiveness of the quality management system, consistent with the requirements of ISO 9001:2015.

Subject	:	Endorsement of Project HSE Plan D-111661/E (Rev 04)

Dear Sir,

With reference to the above, the TQD HSE Department has reviewed the submitted Project HSE Plan for Contract D-111661/E and confirms its endorsement based on internal assessment and email correspondence. This endorsement supports the project onboarding process and confirms alignment with TAQA HSE requirements, enabling the plan to be taken forward within the project framework for formal establishment and subsequent implementation on site in accordance with the defined authorization process.

Notes for Implementation of the Approved HSE Plan:

1. The **approved HSE Plan shall be readily available at the project work location** and accessible to all relevant personnel involved in the project activities.
2. The **Project Management Team, under the direction of the TQD Focal Engineer as Contract Owner, shall ensure that the contents of the approved HSE Plan are effectively communicated to all employees, subcontractors, and any other personnel participating in the project.**
3. The HSE Plan **shall be reviewed after eleven (11) months**, or earlier if there are significant changes to project scope, work activities, contractor procedures, or regulatory requirements.
4. The HSE Plan **shall not supersede applicable national legislation, regulatory requirements, or TAQA HSSE standards**, and compliance with all statutory and corporate requirements shall be maintained.
5. The **Appendix – Site Emergency Response Plan and Emergency Contact Numbers** shall be updated and maintained. Copies shall be available **at the project site and with the Competent Person (CP)** responsible for the work activities.

6. The **approved HSE Plan and all relevant safety documentation shall be maintained at the project site and made available for reference or inspection when required.**
7. The **Competent Person (CP) shall be present at the project site whenever work activities are ongoing and shall ensure that activities are carried out in accordance with the approved HSE Plan.**
8. The **Project Management Team shall establish and maintain effective communication with Operations & Maintenance (O&M) and other relevant stakeholders** in order to prevent conflicting or simultaneous activities and to ensure that any activity requiring urgent coordination or attention is appropriately managed.

Thank you for your continued commitment to maintaining safe and compliant project operations.

Yours sincerely,

HSSE – Projects & Contracts Department
TAQA Distribution – Abu Dhabi Region
